Howard and May Cobb's vision when they established the Healing Ministry here

in 1928 was to never turn anyone away. Building on that vision, today, 'Howard's Well' has enabled us to swing our doors wide open inviting all to encounter the Lord's healing in our grounds, through our hospitality and in our rhythm of worship.

Howard built the well in 1932 when the existing water supply was not sufficient for the numbers of guests visiting. Anticipating water at 40ft and instead finding it at 80ft the well was much deeper than expected! Jesus promises:

"Whoever drinks the water I give them will never thirst. Indeed, the water I give them will become in them a spring of water welling up to eternal life." John 4:14
